50 Days of Prayer

**For My
Church, Community, State,
Nation & World**

GOALS

- Build the local church prayer teams. Help them establish prayer disciplines that go beyond personal prayer.
- For ALL Christians — Encourage ALL to build a strong prayer life. (Not just for a few intercessors) The local Church people need to learn to pray powerfully and steward their land with LOVE!
- Teach prayer warriors to pray the Word which shall not return void
- Create a prayer shield over our local churches, cities, states, nation and world.
- This is BIGGER than we are... as each church engages— we create a massive blessing.
- To get three counties praying each month. Soon, there will be massive daily prayer over our Churches, Cities, States, Nations and World

VISION

50 Days of Prayer can be used to pray in a variety of ways:

- Individually
- Family Worship Time
- Small Groups
- Zoom Groups
- Encourage people to each pray a paragraph then pray as the Lord leads.
- Encourage people to read their prayer guide for your community and pray for the specific needs of your community

How

- Teach the Church on prayer before you launch 50 Days of Prayer. Explain the principles in the book before you start.
- Order enough books so each individual that wants one can have them.
- Books can be ordered in bulk for a whole community or by churches at a reduced price.
- 50 Days of Prayer can be used year to year. So subsequent years you will need enough for new members only.
- Customized books should be ordered with a Prayer Guide Template for your community, state, nation. Statistics and updated names of leaders can be included for your community. This allows your church to understand the strongholds impacting your community and to see the numbers go down as you pray. We see MEASURABLE improvements year to year!
