NATIONAL DAY OF PRAYER

The FIRST Thursday in May

Our nation is struggling and is in trouble. "We have lost many of our freedoms in America because we have been asleep." We could forfeit National Day of Prayer and this freedom to public prayer if we do not wake up and preserve it. Shirley Dobson

- National Day of Prayer is an Annual Observance on the **1st Thursday of May** for people in the United States to pray for our nation. This is our RIGHT and privilege.
- Prayer is part of our History and our Heritage. Days of Prayer were called by leaders and most presidents beginning in 1668. Ronald Reagan established it as the First Thursday of May, a National Holiday. We teach our people, especially the young the way of our nation's foundation in faith and prayer.
- Each year the president signs a proclamation encouraging Americans to pray. This has also been done by most previous 50 governors, US Territories, counties, and many cities. It is set into federal law.
- It's a day to come together as ONE in the Lord, whether different ages, ethnicities, denominations, political parties, or socio-economic levels.
- Each year we gather in every part of the country, gathering over one million participants and more than 30,000 observances.
- People gather to worship and pray at breakfast meetings, capitols, city halls, parks, schools, churches and homes. We prayer walk, have car parades, prayer trains.
- In Oregon there were 65-70 National Day of Prayer Observances last year.
- Our goal is to have a prayer gathering in every one of the 241 incorporated cities in Oregon.
- We encourage every family, church or community to host a NDP gathering. If you host a gathering, sign up as a volunteer and register your event. The NDP website has resources and videos for your event. Go to:
